

150 Best of the Best Loft Ideas

Filled with beautiful full-color photographs and detailed illustrations, an irresistible collection profiling 150 of the latest trends in contemporary loft design. The ultimate resource for designing and decorating loft spaces, 150 Best of the Best Loft Ideas presents 150 stunning lofts constructed and designed by notable architects and designers from around the world. Made popular in the nineteen fifties and sixties in New York City, loft synonymous with a modern, avant-garde lifestyle continue to maintain their wide appeal. While loft living once meant converting old industrial warehouses into a warm and inviting living environment, today the style has evolved into an airy, open approach for any modern living space. This compilation highlights the diversity of current trends in loft design and is a source of creative inspiration for architects, designers, and home owners interested in staying current with the latest in contemporary residential architecture.
