

Truth and Dare

Forensic anthropologist Patience McGee doesn't play games. So when she offers to investigate the death of businessman Cade Randall's father from twenty years ago, Cade's ambivalence is nothing short of frustrating. Well, she'll show this mouthwateringly hot man exactly who he's dealing with. Cade had made up his mind to walk away from the case until Patience dared him to help her investigate the murder. And as they immerse themselves in the mystery, it isn't long before the vibe between them goes from civil to sizzle. But what will happen when Cade and Patience realize that the most dangerous dare of all is the truth?
