

The Unexpected Miss Bennet

Pride and Prejudices Mary Bennet gets her own story... The third of five daughters, Miss Mary Bennet is a rather unremarkable girl. With her countenance being somewhere between plain and pretty and in possession of no great accomplishments, few expect the third Bennet daughter to attract a respectable man. But although she is shy and would much prefer to keep her nose stuck in a book, Mary is uncertain she wants to meekly follow the path to spinsterhood set before her. Determined that Mary should have a chance at happiness, the elder Bennet sisters concoct a plan. Lizzy invites Mary to visit at Pemberley, hoping to give her sister a place to grow and make new acquaintances. But it is only when Mary strikes out independently that she can attempt to become accomplished in her own right. And in a family renowned for its remarkable Misses, Mary Bennet may turn out to be the most wholly unexpected of them all...
