

Hotel & Restaurant Design

Hotel & Restaurant Design (formerly Hospitality & Restaurant Design) showcases the most current, inspirational design solutions gathered from 43 leading architectural/design firms and features over 200 international projects in the hotel, resort, spa, theatre and restaurant fields. It has become increasingly obvious that people have come to expect a certain level of excellence when they dine out, go on vacation or travel for business. Additionally, travel and leisure activity consume more and more of an increasingly sophisticated public's time. Hotel & Restaurant Design illustrates how architects and designers have met these needs and time constraints. The design solutions featured in this volume are organized alphabetically by design firm with all projects indexed for easy reference.

This volume is an inspiration and a necessity to any professional engaged in the many forms of hospitality and restaurant design. 356 pages 1,050 color photos 9 x 12 / hardbound
