The Best Ever Book of Fulham Jokes is so unoriginal, its original. And, if you dont burst out laughing from at least one Fulham joke in this book, theres something wrong with you. This book has so many Fulham Fan jokes, you wont know where to start. For example: Why do Fulham Fans wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. *** An evil genie captured an Fulham Fan and her two friends and banished them to the desert for a week. The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldnt die of thirst. The second friend brought an umbrella to keep the sun off. The Fulham Fan brought a car door, because if it got too hot she could just roll down the window! *** Did you hear about the Fulham Fan who wore two jackets when she painted the house? The instructions on the can said: Put on two coats. *** Why do Fulham Fans laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it.
