

Seeing Christ in Zechariah: Return to the Lord (God Has Spoken - Seeing Christ in the Old Testament Book 39)

The word of God is living and operative (Hebrews 4:12a). It is living and not just letter because it gives life. The Scriptures are operative because they contain not only theological ideas to be pondered but also spiritual realities to be experienced. For every scripture is divinely inspired [God-breathed], and profitable for teaching, for conviction, for correction, for instruction in righteousness; that the man of God may be complete, fully fitted to every good work (II Timothy 3:16-17). Ye search the scriptures, said the Lord Jesus Christ, for ye think that in them ye have life eternal, and they it is which bear witness concerning me; and ye will not come to me that ye might have life (John 5:39-40). It behooves us, therefore, to diligently read the Bible and meditate on it.

To encourage Gods people to study Gods word, brother Stephen Kaung delivered a series of messages on the sixty-six books of the Bible. Each message is merely a panoramic view of each book of the Bible; a tasting of the sweetness of Gods word. The aim is to provide the saints with some basic understanding in their search of Gods word. May God use these messages to increase our love for His word.
