

2012 Friedenreich Hundertwasser Art Wall Calendar (English, German, French, Italian, Spanish and Dutch Edition)

You can look but I know you won't find any. Friedensreich Hundertwasser pictures feature curved lines, bold colors and unique images, but virtually NO straight lines. As a contemporary Austrian painter, Hundertwasser's paintings are filled with bright colors and organic forms, designed to show humans reconciling with nature. The 12 images of this calendar won't disappoint fans of his art work.
