

The 3-By-5 Steps: To Pass Your PMP Certification

So you have decided to take your career to the next level, and pass the #1 rated project management certification for IT professionals. This an important first step to decide. But what next? The 3-by-5 Steps methodology is designed to provide you with a structured approach to pass your PMP Certification; and guess what, it does work! However, you must commit, study with intelligence, and slowly get ready, the right way, for the exam. The 3-By-5 Steps Methodology is inspired by Lewins 3-stage change management model but goes one step further. It indeed integrates the philosophy of continuous improvement. In this book, the 3-by-5 Steps Methodology has been refined to specifically help aspiring and current project managers to pass their PMP Certification. This 3-By-5 Steps Methodology is practical, simple and applicable to anyone who wants to pass the PMP Certification! The 2015 Edition includes a 200-Question Practice Exam Bonus!
