

An Introduction to Anglo-Saxon Church Architecture & Anglo-Saxon & Anglo-Scandinavian Stone Sculpture

The aim of this book is to provide an informed introduction to the subjects so that the reader will be able to confidently recognize Anglo-Saxon church architectural features and Anglo-Saxon and Anglo-Scandinavian stone sculpture. The contents, including illustrations and photographs, all meticulously checked on site, are drawn from the authors extensive research and travels over many years. Especially useful is the gazetteer section offering a selection of 127 sites providing excellent examples of the features described.
