

A History of Japanese Literature

This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.

Cambridge Shuichi Kato's two-volume history of Japanese literature is impressive for its critical and comparative grasp as well as for its historical scholarship. It is also a unique contribution to the subject insofar as it incorporates the vast spread of *kambun* (classic Chinese) literature written by Japanese authors. **A History of Japanese Literature: William George** The publication of *Dawn to the West* will do even more to establish modern Japanese literature as one of the major literatures of the world. Here, for the first time, **The Cambridge History of Japanese Literature** Subjects: Japanese literature > History and criticism.
