

How to Talk to a Yankee Fan -- 2007 Edition

For baseball fans that have encountered Yankee fans and lived to tell about it, *How to Talk to a Yankee Fan* is the book for you. It's a tongue-in-cheek primer of Yankee discourse; a psychology examination of baseball fandom peppered with fun facts, frivolous historical accounts, and comical illustrations. When a Yankee fan begins his insufferable ranting and incessant blathering, this book is your tool for striking back. More humorous than acerbic, Yankee will enjoy it as well. At least it'll give them something to laugh along with while others try to avoid them.
