

Belgian Sheepdogs 2011 Calendar

Belgian Sheepdogs Wall Calendar: The beautiful, black Belgian Sheepdog is known to many as the Groenendael, or the Chien de Berger Belge. It is the most popular of the four Belgian sheepdogs, three of which are recognized as distinct breeds in the United States. These dogs are very active and do quite well living in the country. They are fiercely loyal and are always eager to please their owner. Alert, intelligent, and courageous they served honorably as military dogs in both World Wars. Belgian Sheepdog owners will love this wall calendar devoted to their loving companions.
