

Absolutely, Positively: A Lucy Valentine Novel

Exposed by a Boston Herald reporter, Lucy Valentine is suddenly the talk of the town. Long back-story short: Even though the rest of her Valentine ancestors were blessed by Cupid with psychic abilities, Lucys only special power lies in her ability to find things. This skill has proven quite a blessing for those who come to her matchmaking agency in search of finding their long-lost loves. Now that Lucys secret is out, she has more new clients than she knows what to do with. But soon a certain man of mystery steals Lucys spotlight, its not Sean Donahue, the sexy fireman-turned-private-eye whos stolen Lucys heart. Its a masked man in a cowboy hat, dubbed The Lone Ranger, whos been throwing handfuls of cash across the Common. Now all of Beantowns abuzz. Can Lucy unmask the mysterious money man, track down all her clients old flames, and turn up the heat on her love life? Absolutely, positively
