Airtight Willie & Me: The Story of the Souths Black Underworld

This collection of six gritty tales from the underground is a tribute to the streets and those forced to try to survive them. With tales of slick con men, revenge, a heist gone awry, and more, Robert Beck, the man many know as Iceberg Slim, brings us on a ride through the terrifying urban streets. With the same unforgettable and distinctive prose on display in his other books, Airtight Willie & Me is further evidence that Iceberg Slim was an expert at capturing the language of the streets. Always compelling, sometimes funny, and often bleak, Slim gives us six slices of city life that will leave you thirsting for more.
