

# Alpha

The unscrupulous new Council chair has charged Jace, Marc and me with trespassing, kidnapping, murder and treason. Yeah, we've been busy. But now its time to take justice into our own hands. We must avenge my brothers death and carve out the rot at the heart of the Council. Its not going to be easy, and loss seems unavoidable, but I have promised to protect my Pride, no matter what. With a target on my back and Marc at my side, Im heading for a final showdown that canthat willchange everything forever. A showdown Im not sure Im ready for. But life never waits until youre ready.
