

## Homecoming Day

Laura Watson thinks she'll never get over the pain of losing the man she loved. But when her son is born, Lieutenant Seth Keller is right there with her. The widowed Erie cop has his own reasons to grieve, but he's made up his mind to move on with his life. Seth can accept being friends. Bonded-by-baby, on-the-verge-of-something-more friends. For now. And when the time comes, he wants to be the one Laura turns to. Can depend on. Maybe even love. But sooner or later, Laura has to decide. The past or the future? Because life has given them a second chance at love. Possibly a love that can heal them both a love that feels like coming home.
