

Arco Master the Ap Calculus Ab and Bc Test: Teacher-Tested Strategies and Techniques for Scoring High (Arco Master the AP Calculus AB & BC Test)

Master the AP Calculus AB and BC Tests offers everything you could ever want (short of money tucked between the pages):

- * In-depth explanations of everything on the AP Test, written so that you can actually understand every step of each solution the book actually teaches you how to do all of the math
- * A wide variety of problems that mirror the problem types asked on the AP test
- * Hands-on activities which allow you to discover the simpler topics on your own less memorizing and more understanding
- * Extremely detailed answers to EVERY SINGLE problem in the textbook from the easiest example to the hardest AP sample problem
- * Four complete sample AP tests two AB and two BC tests, plus the sample tests contain outstanding practice Free Response questions designed with past AP tests in mind
- * Technology sections in every chapter which teach you how to use your TI-83 or TI-83+ calculator (the most popular by far at the current time) on the AP test, including step-by-step directions
- * (Believe it or not) humor! Look at the excerpt also in this listing
