

Aunt Amelia

When Mum and Dad go away for the night, Aunt Amelia comes to look after one very cross little girl and boy. They do NOT want to be looked after and, even worse, Mum has left a list of boring instructions. But Aunt Amelia turns out to be rather different from expected . . . and a LOT more fun! Aunt Amelia is a charmingly funny, warm and beautiful story from Rebecca Cobb, the hugely talented creator of Lunchtime. Gorgeous illustrations accompany sweet, funny, friendly text - every child (and adult!) will wish for an aunt like Amelia!
