

Great Danes (Intl) 2015 Square 12x12

The Great Dane is often called the King of Dogs. Its immense size certainly commands attention from any four-legged (or two-legged) creature that happens to cross a Danes path. Yet despite their daunting presence, Great Danes are exceptionally friendly and gentle companions. They are also intelligent, loyal, and dependable. This international version calendar does not feature any photos of Great Danes with cropped ears. Includes a free download of the DogDays™ app for the smartphone and tablet, which grants access to the world's most captivating dog photos and backgrounds, fun puzzles, and a calendar featuring your favorite furry friends. BrownTrout is committed to sustainability.
