

Nuns Having Fun Calendar 2010

Hooray for the habit-forming (Maxim) calendar that has charmed its way into being one of our bestselling wall calendars. Proclaimed funniest calendar of the year by Gene Shalit and packed with vintage photographs of nuns letting loose, Nuns Having Fun is a delightful celebration of simple pleasures and sheer, spontaneous amusements. Nuns on swings, nuns on skis, nuns playing street hockey. Nuns at amusement parks, nuns frolicking in the surf, nuns having a snowball fight. The sweetly nostalgic photographs are black-and-white and date back to the 1950s and 60s. Maureen Kelly and Jeffrey Stone, coauthors of the New York Times bestseller *Growing Up Catholic*, provide witty commentary.
