

NCLEX-RN Vocabulary and Medications Flashcard Book w/ CD (Nursing Test Prep)

REAs NCLEX-RN Vocabulary & Medications Flashcard Book Gets You Ready for Your Nursing Exam! Premium Edition with Hundreds of Must-Know Nursing Terms The health care industry is booming. With the ever-growing demand for qualified medical professionals, there are numerous career opportunities available in the nursing field. Qualified nurses are needed in hospitals, assisted living facilities, and in the home healthcare industry. REAs NCLEX-RN Vocabulary & Medications Flashcard Book with TestWare CD helps you check your test-readiness before taking your NCLEX exam. This latest addition to our Health Sciences series of flashcards is the perfect refresher and offers a quick and convenient way to study the vocabulary and medications material on the test, so you can score higher on test day! Written by a nursing instructor and a seasoned pharmacology textbook author, this on-the-go study supplement is packed with 400 must-know vocabulary and medications flashcards covering definitions, nursing process categories, generic and brand names, classifications, side effects, and nursing implications. Our flashcards are based on the material tested on the actual NCLEX and cover everything you need to know in the four test categories. This Premium Edition with CD contains 100 of the books flashcards to challenge your test-readiness and four medical reference charts (Cardiorespiratory System, Digestive System, Lymphatic System, and Nervous System) that offer additional review. Unlike most flashcards that come loose in a box, our flashcards are bound in an organized, compact book that makes studying a breeze. Fully indexed, this flashcard book is the perfect study tool for anyone pursuing a nursing career!
