

Zombie Fallout 3 The End...

Zombie Fallout 3: The End Continues Michael Talbot's quest to be rid of the evil named Eliza that hunts him and his family across the country. As the world spirals even further down into the abyss of apocalypse one man struggles to keep those around him safe. Side by side Michael stands with his wife, their children, his friends and the wonder Bulldog along with the Wal-Mart greeter Tommy who is infinitely more than he appears and whether he is leading them to salvation or death is only a measure of degrees.
