

British House Interiors 1500-1960: An Easy Reference Guide (British Living History)

Here is a compact and useful guide, filled with original drawings, which detail the changing uses of space within houses over the centuries. In addition, it shows developments in fashion, decoration, and furniture within different rooms and how these have steadily evolved with the passage of time. The book covers an immense range of interior styles from 1500 to 1960. In addition there is a glossary of terms and a historical time chart.
