

BWWM: Charmed by the Wicked Billionaire (BWWM Alpha Billionaire Romance) (BBW Pregnancy Marriage of Convenience Short Stories)

Enjoy 16,000 plus words of intense BWWM Billionaire Romance and see how Nya and Danes shared passion for the ocean has eventually lead them to one another... Nya was a woman with a simple ambition in life: save the largest life form in the ocean. But her only chance at success was through the Carver Group, a corporate entity with money enough to buy anything. The chance of a lifetime is granted and she takes to it with vigor she did not know she had aboard a floating research lab. But she soon learns that not everything on the boat is dedicated to science. Some of what goes on is given over to passion that she had never really fathomed... and cant wait to try. Dane Carver is her congenial host and the owner of the vessel that Nya is aboard and the Group that owns it. He is not at all the billionaire that most people would suspect, nor is typical in the attitudes of such. But Nya fascinates him in a way that he did not realize to be possible. A scientist himself, Dane quickly discovers that with Nya some new experimentation might be necessary. **KINDLE UNLIMITED MEMBERS READ FOR FREE!** WARNING: This eBook contains mature language and content.
