

CCNA Exam Cram 2 (2nd Edition)

The CCNA Exam Cram 2, Second Edition is a concise, comprehensive study aid that is perfect for anyone preparing for the CCNA exam. Some changes to the exam are expected in late 2005, and this updated edition to the popular Exam Cram will keep you up to date. This newest edition continues to provide you with specific, targeted explanations of the concepts and commands that you will find on the actual CCNA exam. You will be able to focus on exam objectives, without having to first wade through lots of extra information that you don't need for the test. You will also be able to gain specific skills to improve your testing ability, not only in CCNA knowledge, but with proven test-taking strategies designed to improve your score. The CCNA Exam Cram 2, Second Edition's focus on objectives, exam alerts, and strategies will give you some of the best study preparation material available. It truly is The Smartest Way to Get Certified!
