

Cindy Ella

Prom fever has infected L.A. ? especially Cindys two annoying stepsisters and her overly Botoxed stepmother. Cindy seems to be the only one immune to it all. But her anti-prom letter in the school newspaper does more to turn Cindy into Queen of the Freaks than to close the gap between the popular kids and the rest of the students. Everyone thinks shes committed social suicide, except for her two best friends ? the yoga goddess India and John Hughes-worshipping Malcolm ? and shockingly, the most popular senior at Castle Heights High and Cindys crush, Adam Silver. But with a little bit of help from an unexpected source ? and the perfect pair of shoes ? Cindy realizes that she still has a chance at a happily ever after. A fun and frothy modern fairy tale! ? Melissa de la Cruz, author of the Au Pairs and Blue Bloods series The thinking princess must-read! ? Kieran Scott, author of A Non-Blonde Cheerleader in Love
