

## Contemporary Houses

Contemporary Houses presents the highlights of modern living culture, designed and furnished by renowned architects and designers. Plentiful color photographs, artful and intriguing in themselves, portray houses and apartments from all over the world, mirroring the culture and lifestyle of their occupants. Informative text and detailed floor plans and elevations complement the illustrations. This book is a genuine pleasure for all fans of urban and modern architecture and contemporary design. Highlights include superlative color photographs, often full page, of exterior views, interior spaces, and architectural details; informative texts; and detailed floor plans and elevations.
