

The Cossacks

Leo Tolstoy (September 9, 1828–November 20, 1910) was a Russian writer who earned fame and global renown for his novels *War and Peace* and *Anna Karenina*. Writing during the late 19th century, Tolstoy lived during a literary period in which Realism flourished, and today his two novels are considered the apex of realist fiction. Dostoevsky himself declared *Anna Karenina* flawless as a work of art, and it is invariably included among discussions of the greatest novels ever.
