

Country Style and Design

An invaluable sourcebook that will inspire those wanting to add a touch of the rural lifestyle to their living space. Beautifully photographed examples of French, British, American and Australian country-style architecture and interiors. Country Style and Design beautifully showcases Justin Bishop's intricate knowledge of country style and design. Blending traditional country style with modern influences, this book is a collection of beautiful images, practical tips, useful styling notes and personal sentiment. Regardless of whether you live in a city apartment or suburban home, if you love all things vintage and rustic, then this exquisite book is sure to delight. The interior architecture and landscaping featured in Country Style and Design encompasses a number of looks - from the French country style of Provence to the more floral country designs of England, and from rustic traditional Americana to Australia's distinctive rural style.
