

## A Cry for Mercy: Prayers from the Genesee

A reissue of one of Henri Nouwens most powerful and most personal books: prayers that reveal a fearful heart, a cry for mercy, rays of hope, the power of the Spirit, the needs of the world, and finally gratitude. In his continuing search for a deeper understanding of the spiritual life, Henri Nouwen traveled twice to the Trappist monastery in the Genesee Valley of upstate New York. His first visit inspired *The Genesee Diary*, a moving account of his daily experiences and of contemporary monastic life. When he returned five years later, the familiar, comfortable daily rhythms of the contemplative life led him to concentrate his attention on meditation. He disciplined himself to write a prayer each day, an endeavor that became this extraordinary book. In these daily prayers, Father Nouwen confronts his own inner chaos as he tries to create a space in his heart where God can dwell. Powerful, searching, and painfully honest, Nouwens prayers, confessions, and petitions point to the final goal of all spiritual life: to live unceasingly in the presence of God. Like *The Wounded Healer* and *The Return of the Prodigal Son*, *A Cry for Mercy* is filled with freshness and insight. It speaks directly to the contemporary Christians need for a meaningful spirituality, a disciplined inner life, and a real sense of the divine presence in everyday life.
