

CSET Physical Education, 129, 130, 131 Teacher Certification Test Prep Study Guide (XAM CSET)

Become a Physical Education Teacher with Confidence Unlike other teacher certification test preparation material, our CSET Physical Education study guide drills all the way down to the focus statement level, providing detailed examples of the range, type, and level of content that appear on the test. Completely aligned with current CSET exam, this book provides the support you need to study and pass the exam with confidence! This study guide includes one practice test to help you test your knowledge, understand how the exam is weighted, and identify skills and competencies you need to focus on. Our detailed answer explanations reference related skills in the book, allowing you to identify your strengths and weaknesses and interact with the content effectively. Maximize your study by prioritizing domains and skills you need to focus on the most to pass the exam. This study guide is perfect for college students, teachers, and career-changing professionals who want to teach Physical Education in California.
