

## Streak of Lightning: A Penguin Special from Plume (A Someday Quilts Mystery Book 2)

Nell and Jesse are taking time off from work. They've bought their tickets and made reservations. Nothing can stop them from enjoying a romantic weekend in New York City except a murder. When Joe, the ill-tempered owner of Archers Rests only pizzeria, gets locked up overnight for disorderly conduct, it turns into a life sentence when he dies in his cell. Jesse's most trusted deputy was by his side, so what could have gone wrong? This freak event sets the town abuzz like a streak of lightning. How will Nell, Jesse and the Someday Quilts ladies crack this inexplicable case?
