

Dannys Mom: A Novel

Friday Night Lights meets Ordinary People when Beth Maller returns to her job as a guidance counselor at Meadow Brook High School shortly after an unspeakable family tragedy. Railing against the everyday injustices she had overlooked until her world cracked apart, Beth stirs up the moral battles being waged in her school, where administrators cling to dont-rock-the-boat policies, homophobia snakes through the halls, and mean girls practice bullying as if it were a sport. As Beth struggles to find her new normal, she must learn to speak outrisking the very life shes embraced. Danny's Mom demonstrates what really goes on behind the closed doors of our schools and our homes. This unforgettable novel illustrates whos really responsible when our kids get hurt and why its so important to find the strength and courage to do the right thing, no matter what. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more.
