

## Dead in 5 Heartbeats (Patch Kinkade)

The noholdsbarred first novel from Sonny Barger, author of the New York Times bestseller Hells Angel. The mass market edition will be an ideal format for Sonny's legions of fans. Patch Kinkade thought that things were winding down. The former President of the Infidelz, the most powerful motorcycle club in Northern California, Patch has drifted east, hoping to start a new life in Arizona. He wants to forget his old life, a life where being the President of the Infidelz cost him his family. Now, he is responsible for no one but himself. But everything changes one night in Nevada, as bad blood between members of the Infidelz and a rival club, the 2Wheelers, erupts into a firefight, littering a casino with the corpses of both club members and ordinary citizens. The newspapers call it 'ke Wars,' and Patch knows he's needed, either to help make a peace or win a war. Responding to the call to duty, Patch straps on his knives and wipes the dust off his Harley, ready to cruise down the highway for what could be his final ride.
