

## A Bride In Waiting (Mills & Boon Vintage Cherish)

ON THE WAY TO A WEDDING THE SUBSTITUTE BRIDE Dr. Lucas Daniels viewed his bride-to-be's temporary disappearance with exasperation, fondness and resignation. After all, she felt the same way about him! Then a beautiful stranger strolled into town, looking exactly like his fiancée. In order to avoid upsetting their families, Lucas asked Sara Martin to stand in as the missing bride. But now he was wondering which bride to marry. Sara had been searching for a family, and now her wishes had come true. Not only did she have wonderful parents, but the look of love in her pretend groom's eyes warmed her heart. But when the clock struck twelve, would it end her fairy-tale dream or give her a true happily ever after? Long-lost twins discover their perfect grooms!
