

Delphi Complete Works of Virginia Woolf (Illustrated)

Virginia Woolf was one of the foremost authors of the twentieth century, whose ground-breaking novels and essays had a profound impact on modernist literature. For the first time in publishing history, Delphi Classics is proud to present Woolf's complete works in a single edition. The comprehensive eBook is complemented with numerous illustrations, rare texts appearing in digital print for the first time, informative introductions and the usual Delphi bonus material. (Version 8) * Beautifully illustrated with images relating to Woolf's life and works * Concise introductions to the novels and other texts * ALL 10 novels, with individual contents tables * Images of how the books were first printed, giving your eReader a taste of the original texts * Excellent formatting of the texts * Special chronological and alphabetical contents tables for the short stories and essays * The rare play penned by Woolf, appearing in no other collection * Easily locate the essays or short stories you want to read * Includes Woolf's memoirs and diary - spend hours exploring the author's literary life * Scholarly ordering of texts into chronological order and literary genres * UPDATED with completely revised texts, more images and rare essays Please visit www.delphiclassics.com to browse through our range of exciting titles
