

## Hotels / Hotel Kaleidoscope (Interior Design Series Links Books)

This book presents a wide range of hotels, - modern temples of vacations or business periods that has opened recently in different parts of the world. This is a dynamic and colourful collection of some of the most forward-looking and inspiring design in the world, from the studios of some of modern architectures leading names. Each project is thoroughly documented with the designers own notes and explanations, sketches, floor plans and glossy full-colour photographs. They show a common inclination towards calm and concise spaces and offer an inspiring range of formal proposals full of glamour.
