

Development Across the Life Span, Books a la Carte Plus MyDevelopmentLab (5th Edition)

For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version allowing students to take only what they need to class. As an added bonus, each Books a la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books a la Carte Plus titles cost less than a used textbook! For classes in lifespan development. Development Across the Lifespan offers students a chronological overview of physical, cognitive, social, and emotional development from conception through death. It presents up-to-date coverage of theory and research, with an emphasis on the application of these concepts by students in their personal and future professional lives. The text taps into students' inherent interest in the subject of human development, encouraging them to draw connections between the material and their own experiences.
