

Discerning the Times: Exposing Satans Plans in Radical Islam (A Prayer Strategy for Jesus Victory Over Islam) (Volume 1)

Discerning the Times combines biblical discernment and reasoned analysis of the facts exposing Satans plans in Radical Islam today. We face a gathering storm, comparable to the 1930s when the demonic stronghold of Nazism gained the strength to launch Satans strategies to destroy Judeo-Christian culture and exterminate the Jews. Drawing from the words of the radical leaders themselves, the ancient writings of Islam, and Islamic/European history, punctuated with his dramatic personal examples of prayer engagements, Long opens a window for the Church to make sense of what is happening in our day. From a decidedly Christian perspective, seeing both the natural and the spiritual dynamics of this war, this book is both a warning and the foundation for a call to strategic prayer and spiritual warfare to avert the terrible consequences which will otherwise fall upon the world. Look also for Book II in the series A Prayer Strategy for Jesus Victory over Radical Islam for intercessors and spiritual warriors who are armed with the essential discernment provided in Book I for cooperating with the Holy Spirit in defeating the strongholds based on Islam and taking the Gospel into the entire Muslim world.
