

# AP Comparative Government and Politics Study Guide: Test Prep and Practice Test Questions

Including 4 full length exams, structured and styled exactly like what you will find on the real AP Comparative Government and Politics test, this study guide is designed to increase and maximize scores for any student regardless of current subject knowledge and skills. By providing only the effective content a student needs, time is better spent meaning total study time is actually decreased, preventing burn-out and mental fatigue, thus allowing for better retention of the key concepts needed for the AP Comparative Government and Politics test. As with all of our study guides, we don't include any filler or fluff in our AP Comparative Government and Politics review. If you need to know it, it is in this book. All concepts are covered in detail, including: Compare and contrast political concepts, themes, and generalizations across multiple governments and nations. - Describe and explain typical patterns of political processes and behaviors and their consequences on the people and government. - Compare and contrast political institutions and processes across countries and to make generalizations regarding political processes and governments. - Analyze and interpret basic data relevant to comparative government and politics.
