

License To Drive in Delaware

License to Drive in Delaware offers you a total, integrated, Delaware-specific solution to driver education. Using a realistic approach, it covers all major driver education issues, with an emphasis on safety and defensive driving that will appeal to all new drivers. The focus is on practical solutions to everyday situations, with thoughtful coverage of such subjects as driving under the influence, sharing the road, challenging driving conditions and road rage. The non-state-specific Annotated Teachers Edition includes an Activity Disk that instructors can use for additional assignments or give to students to use themselves. There is also an Delaware-specific Instructors Manual that includes additional teaching suggestions and student activities. In addition, there are five videotapes that tie directly to the content of the textbook.
