Why buy our paperbacks? Printed in USA on High Quality Paper Standard Font size of 10 for all books Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee Unabridged (100% Original content) **BEWARE OF LOW-QUALITY SELLERS** Dont buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable.

About Eight Cousins by Louisa May Alcott Eight Cousins, or The Aunt-Hill was published in 1875 by American novelist Louisa May Alcott. It is the story of Rose Campbell, a lonely and sickly girl who has been recently orphaned and must now reside with her maiden great aunts, the matriarchs of her wealthy Boston family. When Roses guardian, Uncle Alec, returns from abroad, he takes over her care. Through his unorthodox theories about child-rearing, she becomes happier and healthier while finding her place in her family of seven boy cousins and numerous aunts and uncles. She also makes friends with Phebe, her aunts young housemaid, whose cheerful attitude in the face of poverty helps Rose to understand and value her own good fortune. Each chapter describes an adventure in Roses life as she learns to help herself and others make good choices. Rose must define for herself her role as the only woman of her generation in her family and as an heiress in Bostons elite society.
