

## El Comité De La Muerte/ Death Committee (Spanish Edition)

In the Suffolk hospital, a committee of doctors meets weekly to determine if the deaths that have occurred, could have prevented. The verdicts of The Death Committee determine the destiny of the individuals that wish to dedicate their lives to practicing medicine. Among them, three bright recently graduated young doctors, will have to decide who and what will occupy an important place in their lives. This is how the author of El medico engulfs us in an exciting plot of impeccable fiction. Description in Spanish: El hospital general de Suffolk, un tribunal de medicos se reúne una vez a la semana para determinar si las muertes ocurridas en esa institución se habrían podido evitar. Los veredictos del llamado Comité de la Muerte determinan el destino de los individuos que desean dedicar su vida a la práctica de la medicina. Entre ellos, tres jóvenes brillantes y recién licenciados tendrán que decidir quien y que ocupa el lugar más importante en sus vidas. Así es como Noah Gordon, el famoso autor de El medico, nos envuelve en una trama apasionante para ofrecer una muestra de ficción impecable.
