

Fundamentals of Legal Research (University Textbook)

This authoritative introduction to legal research has been updated to include the latest developments in legal research. You'll find in-depth discussion of the legal research process, current legal research sources, computer-assisted research, key Internet sources, and other research aids. Numerous appendixes speed up and simplify your research. Illustrations and charts help present and clarify fundamentals. Textbook can be used in conjunction with Jacobstein, Mersky, and Dunns Assignment to Fundamentals of Legal Research supplement, a workbook of exercises that complement information in the textbook (see individual listing).
