

You 2.0 - The Interviews on Life Hacking

We all want to make the most of the limited hours in our day. There's tons of books and blogs that offer tricks to be more productive and hack your life, but sooner or later you realize you're just reading about being productive vs. actually being productive. This book is a collection of interviews that were part of the documentary You 2.0, which took a close look at life hacking. Featured interviewees: Gina Trapani - Creator of lifehacker.com, Tim Ferriss - Author of 4 Hour Work-Week, Danny O'Brien - Writer and coined phrase life hacks, Ramit Sethi - Author of I Will Teach You To Be Rich, Merlin Mann - Author of 43 Folders and Inbox Zero, Talking About Productivity, Creativity, Time Management, Information Overload, Wealth Systems, Making Cool Stuff, and more!
