

## FileMaker Pro 6 for the Mac Fast & Easy (Fast & Easy (Premier Press))

FileMaker Pro 6 for the Mac Fast & Easy presents the essential skills that beginning and intermediate users need to know to use the FileMaker Pro 6.0 database application effectively. It covers basic database skills, such as planning, defining fields, and creating forms and explores new features, such as using a contextual menu to sort data and batch file importing. It also introduces users to publishing database data in HTML format.
