

Food Insecurity (At Issue)

These books provide a range of opinions on a social issue; each volume focuses on a specific issue and offers a variety of perspectives, e.g., eyewitness accounts, governmental views, scientific analysis, newspaper accounts, to illuminate the issue.; This new title in the At Issue series explores issues related to concerns about food and its availability around the globe. Topics covered include food insecurity as a developmental risk for children, food insecurity as a source of conflict among nations,; Greenhaven Press's At Issue series provides a wide range of opinions on individual social issues. Enhancing critical thinking skills, each At Issue volume is an excellent research tool to help readers understand current social issues and prepare reports.
