

The Fairy Godmother Dilemma: Frogspell

A fairy godmother on probation needs a certain kind of story. A story that lets her make the best possible impression. A story with a neat Happily Ever After just waiting to happen. This isn't that story. Instead, Nerissa's DID (Damsel in Distress) has a heart that only a mother could love, and a stepsister with a sweet disposition and a striking resemblance to the girls Nerissa has worked with in the past. If Nerissa wants to bring about a Happily Ever After for this story, she's also going to need a prince, a touch of criminal ingenuity, and a whole lot of luck. But when the Prince Charming Nerissa kidnapped for the occasion falls for the stepsister instead of her DID, she's going to need to make some tough decisions. Follow her heart and help the stepsister, unofficially, of course? Or fulfill her contract even if that means helping her DID take over the kingdom? Frogspell is a retelling of The Bluebird.
