

The English in the West Indies

My purpose in writing this book is so fully explained in the book itself that a Preface is unnecessary. I visited the West India Islands in order to increase my acquaintance with the condition of the British Colonies. I have related what I saw and what I heard, with the general impressions which I was led to form. Notice: This Book is published by Historical Books Limited (www.publicdomain.org.uk) as a Public Domain Book, if you have any inquiries, requests or need any help you can just send an email to publications@publicdomain.org.uk This book is found as a public domain and free book based on various online catalogs, if you think there are any problems regard copyright issues please contact us immediately via DMCA@publicdomain.org.uk
