

# Michaels Father

She was banished Coris grandfather Salvatore Messina told her shed never be able to make it on her own as a single mother. He threatened hertell him the name of the father so he could ruin him, or she and her child would be cut off from the family. As the field manager of Messina Vineyards, Blake would not only lose his job, but his whole career could be destroyed. Cori couldnt do that to Blakeshe still loved him. So she kept the identity of Michaels father a secret. But now shes back for good? Almost five years later, Cori has returned to her familys winery with her young son, Michael. Her mother is dying and Cori is determined to do whatever she can for her. But Coris also back for another reason: its time to find out if Blake will recognize and accept their son.
